Follow these simple steps to upload your listings.  Create a tab delimited text file (save an excel file as a txt file) or modify your present file with the headings listed below. If you do not have a prepared file, you can <u>click here</u> to create an Excel template to be used in uploading your listings. The file should show category headings listed below. Each row following should be a unique listing. Only one listing per row, please.  View or Print this <u>example</u> for reference. (This is not a template. Please do not use it to upload listings.)  To upload your file, enter the directory below or click on browse to find it. Please limit your file size to 5 megabytes (MB)										
File: Location:			Browse	<u></u>			<b>-</b>
